**Protecting God's Children – Touching Safety Program**

Each year our diocese presents the Virtus program for our students entitled, "Protecting God's Children." This age appropriate program (discussions and activities are developed for each age group) will be offered to all students in PRE during one class in the coming year. While we strongly encourage your child's attendance, as a parent, you may choose whether or not your child participates. If you **do not** want your child to participate on the designated Sunday (date TBD), please sign the "opt-out" statement below:

**Protecting God's Children – Touching Safety Program – OPT OUT**
